| Laboratory Service-Parasitology                                        | PCR                                  |
| Laboratory Service-Parasitology                                        | Serological test                     |
| Laboratory Service-Parasitology                                        | Stool Analysis                       |
| Laboratory Service-Parasitology                                        | Stool concentration (formal ether)   |

| <b>Service Category</b>                              | <b>Service Description</b>      |
|------------------------------------------------------|---------------------------------|
| Laboratory Service-Parasitology                      | Urine Analysis                  |
| Laboratory Service-Parasitology                      | Urine sedimentation             |
| Laboratory Service-Microbiology                      | Blood Test                      |
| Laboratory Service-Microbiology                      | Culture Test                    |
| Laboratory Service-Microbiology                      | HIV Viral Load                  |
| Laboratory Service-Microbiology                      | Stool Test                      |
| Laboratory Service-Microbiology                      | Vigal Swab                      |
| Laboratory Service-Serology                          | Chlamydia                       |
| Laboratory Service-Serology                          | HIV Rapid Test                  |
| Laboratory Service-Serology                          | HIV Viral Load                  |
| Laboratory Service-Serology                          | Rapid Tests                     |
| Laboratory Service-Serology                          | RPR/ VDRL Rapid Test            |
| Laboratory Service-Haematology and Blood Transfusion | ABO Blood Grouping              |
| Laboratory Service-Haematology and Blood Transfusion | Antibody identification methods |
| Laboratory Service-Haematology and Blood Transfusion | Bleeding Indices                |
| Laboratory Service-Haematology and Blood Transfusion | Bleeding Time                   |
| Laboratory Service-Haematology and Blood Transfusion | Blood Cross matching            |
| Laboratory Service-Haematology and Blood Transfusion | Haemoglobin Estimation          |
| Laboratory Service-Haematology and Blood Transfusion | Hb electrophoresis              |
| Laboratory Service-Haematology and Blood Transfusion | Sickle Cell Screening Test      |
| Laboratory Service-Clinical Chemistry                | Electrolytes                    |
| Laboratory Service-Clinical Chemistry                | Liver Function Tests            |
| Laboratory Service-Clinical Chemistry                | Renal Function Test             |
| Laboratory Service-Histopathology and Cytology       | Aspirates                       |

| <b>Service Category</b>                        | <b>Service Description</b>                                                       |
|------------------------------------------------|----------------------------------------------------------------------------------|
| Laboratory Service-Histopathology and Cytology | Body Fluids                                                                      |
| Laboratory Service-Histopathology and Cytology | Tissue Biopsy                                                                    |
| Disease Surveillance                           | Collect,package and refer to higher level (district,regional,zonal and national) |
| Disease Surveillance                           | Perform laboratory tests for presumptive diagnosis                               |
| Disease Surveillance                           | Referral of specimen for confirmation and /or proficiency testing                |
| Laboratory Service-TB Laboratory               | CD4 Count                                                                        |
| Laboratory Service-TB Laboratory               | HIV antigen                                                                      |
| Laboratory Service-TB Laboratory               | HIV Viral Load                                                                   |
| Laboratory Service-TB Laboratory               | PCR Reagent kit                                                                  |
